# Conduit Systems for Shipboard Electromagnetic Shielding

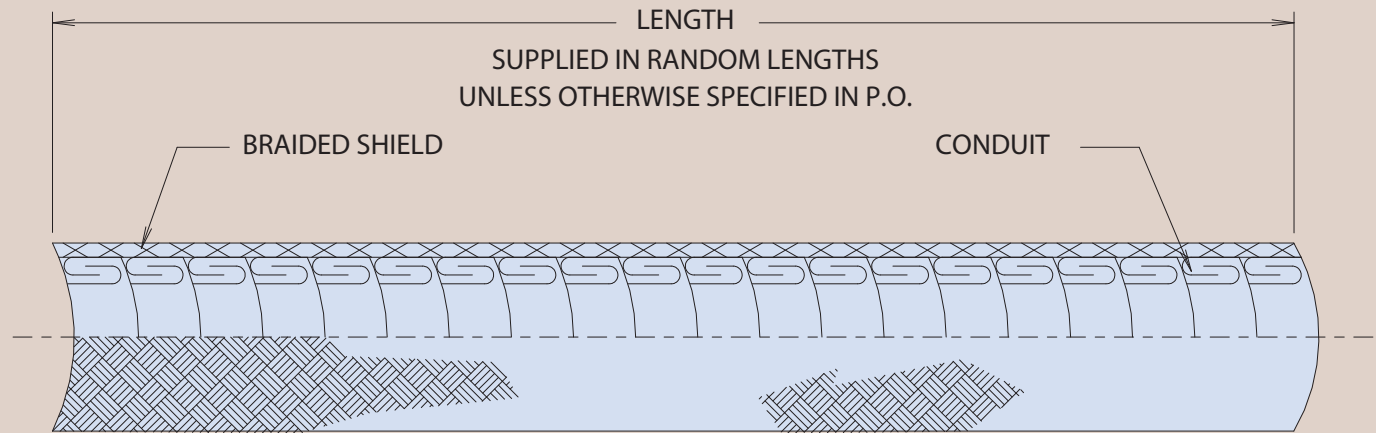

## 750-084 Flexible metal-core conduit with braided shield

### NICKEL-IRON CONDUIT WITH EMI/RFI BRAIDED SHIELD IAW S9407-AB-HBK-010, TYPE 1

| How To Order           |  |     |   |
|------------------------|--|-----|---|
| Sample Part Number     | 750-084  | -16 | C |
| Basic Part Number      | Flexible metal-core conduit with braid                         |     |   |
| Dash No.               | 08, 09, 10, 12, 14, 16, 20, 24, 32, 40, 48, 64, 80, 96         |     |   |
| Compressed Core Option | C = Compressed Core <b>Omit</b> for standard uncompressed core |     |   |

#### MATERIALS

Conduit - 80% Nickel, 20% Iron

Braided Shield - 304 CRES
